

Guest Speakers for your event at the Kia Oval

Whether you are planning a conference, an annual party or an intimate round table session, hiring the right keynote speaker is vital for making a good impression on attendees and accomplishing the goals of your gathering.

Typical Keynote Speaker Duties

In general, a keynote speaker's job is to present on a topic that reflects the overall theme of an event. His or her speech serves as the highlight of the gathering, uniting attendees and provoking interest in its main cause. Using personal anecdotes, statistics, and empowering calls to action, keynote speakers encourage listeners to take a vested interest in a particular issue or situation and contribute their time and resources toward improving it.

Benefits for your Business

Choosing a keynote speaker who is accomplished in his profession can promote your organisation's image as a reputable source of valuable information. Invitees who are interested in seeing the speaker will have an extra incentive to attend your events, as they have a chance to meet a well-known professional whom they admire.

Guest Speakers for your event at the Kia Oval

Alec Stewart

Alec is the most capped English cricketer of all time and has represented his country in 133 Test Matches (fifteen as Captain) and 170 One Day Internationals.

Following his retirement in 2003, he has established independently successful careers in the media, athlete management and is currently Director of Cricket at Surrey County Cricket Club and an Ambassador for a number of blue chip companies.

He is a very engaging and experienced public speaker and can deliver motivational talks, speak on modern sports or his own career and is also available for question and answer sessions.

Mark Church

Mark has worked for the BBC for over 15 years as a radio broadcaster specialising in news and sport.

He is best known for his ball by ball cricket commentary and has covered Surrey CCC since 2002. He is also the presenter of Surrey TV, the Club's online video stream.

He has hosted numerous events and can conduct question and answer sessions if required.

Access the greats of international cricket through the PCA Ambassador Programme

pca
PROFESSIONAL CRICKETERS' ASSOCIATION

Surrey have a very close relationship with the Professional Cricketers' Association, who are based at the Kia Oval. All those who have played professional cricket in England are members of the PCA, and so through it's Ambassador Programme, the PCA offers unrivalled access to all of the most famous and well-loved characters of the game.

Fuse business and sport by allowing these legends to add value to your company events at the Kia Oval – as your guests will experience first-hand, the ambassadors' talents are not confined to the pitch, as they entertain and inspire with tales of their playing days and views on the current game. The PCA will confirm availability and brief the ambassadors fully, ensuring this is as hassle-free and easy for you as possible. They will also provide ambassador biographies and imagery to be used on your invitations and event literature. Whatever your budget and requirements, the PCA will provide great service and value for money, and present a range of options so we ensure the right player is secured for you and your guests.

Whether you are looking for a host for a dinner, speaker for a business seminar, coaches for a master class or players for a corporate cricket day, PCA Ambassadors can support any of your events at the Kia Oval.

For further information or to make a booking please contact Erin Caldwell on ecaldwell@thepca.co.uk or 0207 449 4235, or visit thepca.co.uk/ambassadors for further details.
