

# OUR PLAN

**New and improved cleaning procedure**

**Fully Trained staff on social distancing and new hygiene measures**

**Use of the same members of staff where possible to reduction infection risk**

**Increased signage throughout the ground and venue to encourage safe practices and personal hygiene, clear but not overpowering**

**Pre-package food, cooked and prepared on site (when possible), in all our DDR's**

**Adapted DDRs to ensure that your meeting needs are met**

**Competitive rates and flexible rescheduling**

**The installation of touch free dispensers throughout the ground**

**Anti-viral cleaners used throughout the ground**

**PPE equipment supplied to all members of staff tailored to their role**

**All rooms set up to meet a minimum spacing requirement (2m as per the government guidelines and 1m as per WHO guidelines dependent)**

**Covered outdoor lunch spaces covered complimentary if required**

**Personal bottles of hand sanitisers for each guest included in the DDR**

**Remote temperature checks on all guests and staff via thermal imaging cameras**

**Working with a global leader in Audio Visual Technology to offer innovation and ease**

**Full hybrid event packages available**
